

2019 TOOHEYS NEWCASTLE RUGBY LEAGUE ROUND 16

MATT'S MESSAGE

CEO MATT HARRIS

Heading into the final round of the Tooheys Newcastle RL home-and-away season, we have six teams still in contention to play finals football. West Newcastle and South Newcastle have secured first and second positions respectively while the remaining places will be determined at the conclusion of all round 16 fixtures. As it currently stands, Central Newcastle hold down third, Kurri Kurri cling to fourth and Maitland sit in fifth position. Cessnock remain one point behind the Pickers in sixth position.

As predicted, last weekend's results shuffled around positions three to six on the competition ladder. West Newcastle's big win over Cessnock solidified the Rosellas dominance this season and pushed the Goannas out of the top 5. Central Newcastle secured their fourth win in a row with a 28 – 18 win over Lakes United which in-turn jumped the Butcher Boys to third position. Kurri Kurri's upset win over South Newcastle pushed the Bulldogs back into finals contention while Maitland's loss to Macquarie proved costly with the Pickers dropping back to fifth position.

Results in all but the West Newcastle v Macquarie round 16 games will impact on the make-up of this season's final 5. Cessnock must beat South Newcastle and have other results go their way to keep their season alive. Maitland will secure a finals position with a home win against Lakes United but will need an unlikely draw between Central and Kurri to regain third position. At St John Oval, the winner of the Butcher Boys v Bulldogs clash will secure third position and a match-up against South Newcastle in week 1 of the Finals Series. In the final fixture, Macquarie will be hoping to end their

season on a high by upsetting minor premiers West Newcastle at Harker Oval.

Sunday's Central Newcastle v Kurri Kurri match is an obvious selection for this week's BarTV live-stream feature match and can be viewed via our website (www.newcastleugbyleague.com.au) or Facebook page (Tooheys Newcastle Rugby League).

Newcastle RL would like to acknowledge Peter Sleep and the South Newcastle club for their ongoing commitment to Sleepy's Day which will be held again this Saturday at Townson Oval. The annual fundraising event raises significant funds for individuals and families fighting cancer and has grown to a degree that over \$100k will be generated on the day. An amazing effort.

A reminder to keep up-to-date with everything Newcastle Rugby League by following us on Facebook (Tooheys Newcastle Rugby League), Twitter (@Newcastle_RL) and via our new website (www.newcastleugbyleague.com.au). In 2019 Business Plaza Cup live-scores are also available via the NSWRL website.

PLAYER OF THE YEAR POINTS

As we enter the final competition rounds, round eleven marks the last public updates of the player of the year leader board and individual player points. The final results and awards will be announced at the Newcastle Rugby League presentation night.

2019 PLAYER POINTS

In 2019 the Newcastle Rugby League has moved to a new points system. Each club is entitled to register players a maximum 130 player points across the club in all grades (please note all Blues Tag players are all classified as zero points). In addition, on game day all first grade teams are capped at 100 points per match. All of a clubs registered players and their points value is available to [view at www.newcastlerugbyleague.com.au/club-points.html](http://www.newcastlerugbyleague.com.au/club-points.html)

LIVE SCORING FOR FIRST GRADE

All first grade teams for each weekend are posted on nswrl.com.au under DRAWS/BUSINESS PLAZA CUP. The first grade teams for each weekend are posted there at 5pm every Tuesday.

In another exciting development, all Newcastle Rugby League first grade matches will be live scored on the New South Wales rugby league website, so you will be able to view the scores and interchanges and they happen on the field. Visit the NSWRL website to follow the scores.

REPORT: LAKES UNITED SEAGULLS

This weekend marks the end of the regular season for 2019 and I would like to take the opportunity to thank all of the hard work and effort that the people of our great club have once again put into making Lakes United such a great organisation to be a part of.

Firstly to the executive, the unseen hours you all put in to ensure the club continues to operate is incredible, thank you and congratulations on another great job throughout the season.

To all of our hard working volunteers that are there through the week and on game day for the entire season, while small in number you have the work ethic second to none and a passion for the club that makes sure the players, sponsors and supporters have an enjoyable experience each and every time they go to a Lakes home game and away games.

Old boys - thank you for your ongoing support of the playing group and executive. The spirit and culture of our proud history is evident each time we have an event, a home game or one of the old boys addresses the playing group to pass on what it means to play for Lakes United.

To our sponsors, we would not survive if it wasn't for your ongoing dedicated support to our club. We thank you very much and appreciate all your support now and into the future.

Our loyal supporters who are amongst the best in the competition, there is nothing like running out on Cahill Oval on a Sunday arvo to the cheers of our

supporters. There have been times this year when you have assisted our teams across all grades to get across the line.

Our playing group have had a mixed year, we will have the Blues Tag, 19's and Open grade in the semis which is a great effort considering the season ending injuries the squad has had, the lack of numbers in the lower grades and the young talent that has stepped up into the higher grades. No one can question your commitment and hard work you have displayed during 2019.

The future looks bright, and rest assured we will be ready to take on 2020 stronger fitter and more committed than ever.
